

## FOOTBALL (SOCCER)

The Official Special Olympics Sports Rules for Football (Soccer) shall govern all Special Olympics competitions. As an international sports program, Special Olympics has created these rules based upon Federation Internationale de Football Association (FIFA) rules for football (soccer) found at <http://www.fifa.com/>. FIFA or National Governing Body (NGB) rules shall be employed except when they are in conflict with the Official Special Olympics Sports Rules for Football (Soccer) or Article I. In such cases, the Official Special Olympics Sports Rules for Football (Soccer) shall apply. An athlete with Down syndrome who has been diagnosed with Atlanto-axial Instability may not participate in football (soccer) events.

### SECTION A—OFFICIAL EVENTS

The following is a list of official events available in Special Olympics. The range of events is intended to offer competition opportunities for athletes of all abilities. Programs may determine the events offered and, if required, guidelines for the management of those events. Coaches are responsible for providing training and event selection appropriate to each athlete's skill and interest.

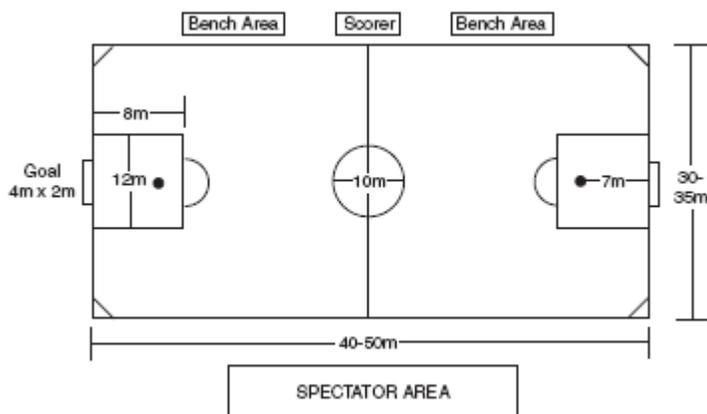

1. Individual Skills Competition (ISC)
2. 5-a-side Team (outdoor)
3. Unified Sports® 5-a-side Team Competition

### SECTION B—DIVISIONING

1. Teams may be divisioned based on the Team Skill Assessment found in Section D of these rules, a Prior Divisioning Form based on the SOEE Divisioning DVD, or a prior Divisioning/Team Rating form approved by the Program, and by an on-site classification round.
2. In the classification rounds, teams will play a minimum of two evaluation games of at least eight minutes (5-a-side), eight minutes (7-a-side) or fifteen minutes (11-a-side).
3. The Divisioning Committee shall ensure that all goalkeepers are adequately assessed.
- 4.

### SECTION C—RULES OF COMPETITION

1. 5-a-side (outdoor) Football
  - i. The Field of Play:
    - 1) The 5-a-side field shall be a rectangle: maximum dimensions of 50 meters by 35 meters, minimum dimensions of 40 meters by 30 meters. The smaller field is recommended for lower ability teams.
    - 2) The field shall be marked out as shown below. (See 5-a-side field diagram)
    - 3) The goal size shall be 4 meters by 2 meters.
    - 4) The goal area shall be 8 meters by 12 meters.
    - 5) The recommended playing surface is grass.

Special Olympics Maine Summer Sports Rules  
**Soccer**

- ii. The Ball:
  - 1) Ages 8-12: Size 4 ball, not more than 66 cm (26 in.) and not less than 63.5 cm (25 in).
  - 2) All other players: Size 5 ball, not more than 70 cm (28 in) and not less than 68 cm (27 in).
- iii. The Number of Players:
  - 1) Allowable roster size is to be determined by the Competition Committee. At the Special Olympics World Games, the roster size may not exceed 10 players.
  - 2) The game is played between two teams, each consisting of five players, one of whom shall be the goalkeeper. A minimum of three players shall be on the field at any one time.
  - 3) Substitutions are unlimited in number (players may return to the field after being substituted). Substitutions can be made any time the ball is out of bounds, between periods, after a goal is scored or during a timeout for an injury. The coach must signal the referee or linesman in order to make a substitution. A substituted player can only come on to the field when given a signal by the referee.
- iv. Players' equipment:
  - 1) Shirts must be numbered.
  - 2) Shin pads are required.
  - 3) No metal studs are allowed.
- v. The Referee:

Each match is controlled by one referee who has full authority to enforce the Laws of the Game in connection with the match to which he has been appointed.
- vi. The Assistant Referee:

Two assistant referees are appointed to each match for Regional and International Competitions. For Local, Program and National Competitions it is recommended to have two referees if there are not enough assistant referees.
- vii. Duration of the game:
  - 1) The duration of the game shall be two equal periods of eight minutes with a halftime interval of five minutes. The referee should be responsible for keeping the playing time.
  - 2) If overtime is used to break a tie, two five-minute "silver goal" overtime periods are used. If the game is still tied, penalty kicks will be used to break the tie. (See 11-a-side tie-break protocol).
- viii. Start of play:
  - 1) A ball must be kicked forward from the center spot before being touched by another player.
- ix. Ball in and out of play:
  - 1) Ball over the sideline results in a kick in.
  - 2) Ball over the end line results in a goal clearance or a corner kick.
  - 3) The ball must be completely over the line to be considered out of play.
- x. Goal Clearance:
  - 1) When the ball passes over the goal line (not in the goal), having last been played by an attacking player, the goal keeper, standing within his own penalty area, shall throw the ball back into play beyond his own penalty area, but not further than the halfway line (i.e., the ball must touch the ground or another player before crossing the halfway line). The ball shall be deemed in play as soon as it passes outside the penalty area.
  - 2) The above rules of goal clearance also apply when a goalkeeper gains possession, with his hands, of a ball that is still in play.
  - 3) Infringement penalties:
    1. If the ball thrown by the goalkeeper passes beyond the goalkeeper's half of the field without first having been touched by a player or without having touched the ground, the referee shall award an indirect free kick for the opposing team from any point on the halfway line.
    2. From the goalkeeper's throw, if the ball is touched by any player inside the penalty area, the throw shall be retaken.
- xi. Method of scoring:

The whole of the ball must have completely crossed the line inside the goal to count as a goal.
- xii. Fouls and misconduct (except there is no offside):

Tripping, pushing, handball or charging result in a direct free kick. Obstruction or dangerous play results in an indirect.

  - 1) If a player is expelled from the game (receives two yellow cards or a red card), this player may not re-enter the game. His team must play a player down for two minutes

Special Olympics Maine Summer Sports Rules  
**Soccer**

unless a goal is scored before the two minutes have elapsed. In this case, the following shall apply:

1. If there are five players against four players and the team with the larger number scores a goal, the team with four players may be completed.
  2. If both teams are playing with four players and a goal is scored, both teams may be completed.
  3. If there are five players playing against three or four against three and the team with the larger number scores a goal, the team with three players may be increased by one more player only.
  4. If both teams are playing with three players and a goal is scored, both teams may add one more player.
  5. If the team scoring the goal is the one with fewer players, the game shall continue without changing the number of players.
    - a. Keeping check of the two minutes shall be the task of the Time or Fourth Official. The player who enters the game as a substitute after two minutes may only do so with the consent of the referee and when the ball is out of bounds.
- xiii. Restart exception:
- 1) Any free kick that is awarded to the defending team inside their own penalty area will be restarted with a throw from the goalkeeper.
- xiv. Free Kick:
- 1) Opposing players must retire at least 5 meters from the ball for all free kicks.
  - 2) When an indirect free kick is awarded to the attacking team inside the penalty area, within 5 meters from the goal line, the referee must place the ball at five meters from the goal line.
- xv. Penalty Kick:
- 1) A penalty kick is taken from the 7-meter line. All players except the kicker and the goalkeeper must retire outside the penalty area and arc. The goalkeeper must stand on his/her goal line until the penalty kick is taken.
- xvi. Kick In: (Equivalent to the throw in for 11-a-side)
- 1) When the whole of the ball passes over a sideline, it shall be kicked back into the game, from the place where it crossed the line (on the sideline), by a player from the opposing team to that of the player who last touched it. The ball must be stationary before being kicked. It shall be deemed in play immediately after it has traveled the distance of its own circumference. The ball cannot be played again by the kicker until it has been touched by another player. The players from the opposing team must retire at least 5 meters from the spot where the kick is being taken.
  - 2) A goal cannot be scored directly from a kick in.
  - 3) A goalkeeper may not pick up a ball passed back to him/her from a kick in.
  - 4) A goalkeeper may not pick up a ball passed back to him/ her by their own teammate.
- xvii. Infringement penalties:
- 1) If the player taking the kick in plays the ball for a second time before it has been touched by another player, an indirect free kick is awarded to the opposing team from the point where the infringement occurred.
- xviii. Corner-Kick:
- Awarded to the attacking team when a player from the defending team kicks the ball over his/her own end line.
- 1) Opposing players must retire at least 5 meters from the ball.
- xix. In the case of extreme heat, the official representative from the Competition Committee (e.g., Field Manager) may signal to the referee to introduce a water break (maximum of three minutes) at a natural break in play, approximately halfway through each half.
- xx. Overtime/Penalty Kick:
- 1) In regular league play, ties are considered final.
  - 2) In tournament play, if overtime is used to break a tie, two "silver goal" periods shall be played (In silver goal rules the entire overtime period is played).
  - 3) Overtime periods shall be five minutes each.
  - 4) If the game is still tied after the overtime periods, penalty kicks shall be used to decide the game.
    1. Five players are selected from each team.
    2. Each player takes a penalty kick, alternating teams with each shot.
    3. The highest score after five penalty kicks is declared the winner.
    4. If, after both teams have taken five kicks, both have scored the same number of goals, or have not scored any goals, kicks continue to be taken in the same order

Special Olympics Maine Summer Sports Rules  
**Soccer**

using the remainder of the teams players (including goal-keepers), until one team has scored a goal more than the other from the same number of kicks.

- xxi. Coaching from the bench area:
  - 1) A team bench area will be provided for each team.
  - 2) Each bench area will be defined by a marked off rectangle, 15 meters in length, located on the sideline at least 5 meters away from the sideline and within 10 meters of the halfway line.
  - 3) A team bench should be provided within each area.
  - 4) Substitute players and coaches are expected to remain seated within the bench area at all times except when making a substitution.
  - 5) Coaches are expected to restrict their coaching to simple verbal encouragement.
  
- xxii. Verbal abuse of players or officials, or excessive and explicit coaching from the sidelines, will be considered unsportsmanlike conduct and may result in a warning from the referee. If such behavior persists, the referee may eject the offending coach from the field.

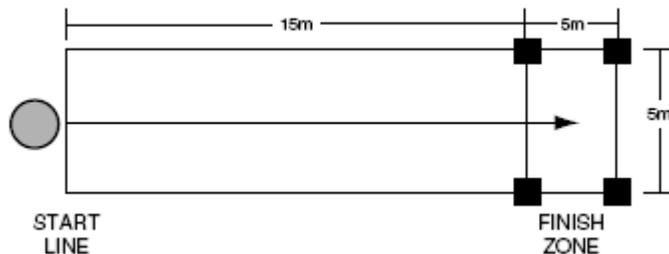

- 2. Unified Sports Team Competition (11-a-side, 7-a-side and 5-a-side)
  - i. The roster shall contain a proportionate number of athletes and partners.
  - ii. During play, a team may not exceed:
    - 1) 6 athletes and 5 Unified Sports partners for 11-a-side
    - 2) 4 athletes and 3 Unified Sports partners for 7-a-side
    - 3) 3 athletes and 2 Unified Sports partners for 5-a-sideFailure to adhere to the required ratio results in a forfeit.
  - iii. Each team shall have an adult non-playing coach responsible for the lineup and conduct of the team during competition.

3. Individual Skills Competition (ISC)

The ISC consists of three events: dribbling; shooting; and run and kick. Competitors should first go through a divisioning round where each athlete performs each event once. The total score from the three events is then used to place players in divisions with others of similar abilities for the competition (medal) round. In the medal round, each player should perform each event twice. The total score from the two rounds is added together to give the final score.

i. Individual Skills Competition—Event Number 1: Dribbling

1) Equipment

Size four or size five balls, tape or chalk, four large cones to mark the finish zone

2) Description

The player dribbles from the starting line to the finish zone, staying inside the marked lane. The finish zone should be marked off with cones as well as chalk. The clock is stopped when both the player and the ball are stopped inside the finish zone. If the player overshoots the finish zone, he/she must dribble it back in to finish.

3) Scoring

The time (in seconds) elapsed while the player is dribbling is converted into points using the scale below. A deduction of five points is made for each time the ball runs over the sidelines of the lane or if a player touches the ball with his/her hands (note: If the ball runs over the sideline, the referee will immediately place another ball in the center of the lane opposite the point at which the ball went out).

Scoring conversion chart:

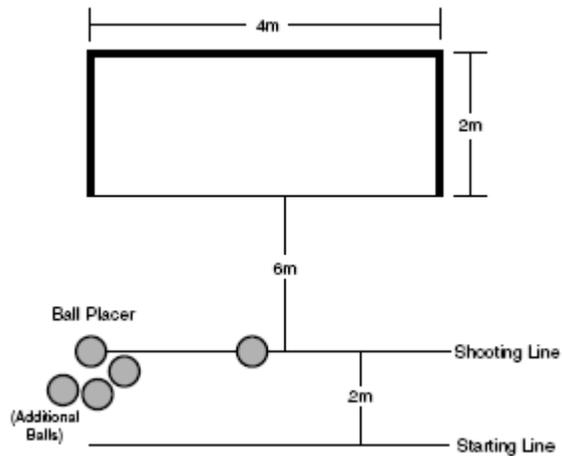

Dribble Time Point Score

(Seconds)

5–10 .....	60 points
11–15 .....	55 points
16–20 .....	50 points
21–25 .....	45 points
26–30 .....	40 points
31–35 .....	35 points
36–40 .....	30 points
41–45 .....	25 points
46–50 .....	20 points
51–55 .....	15 points
55 or more .....	10 points

ii. Individual Skills Competition—Event Number 2: Shooting

1) Equipment

Size four or size five balls, tape or chalk, 4 meter by 2 meter five-a-side goal with net.

2) Description

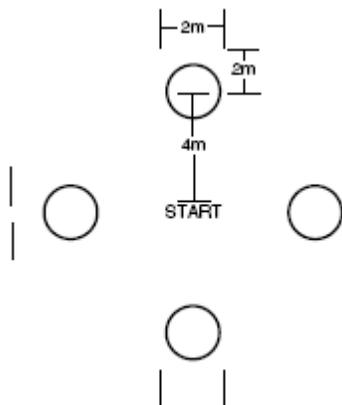

Athlete begins at the start line and walks or runs forward to shoot the ball into the goal from a distance of six meters. Athlete is only allowed to kick the ball once. The athlete returns to the line. Ball placer (official) places the next ball to be shot. Athlete repeats. Total of five shots. When the player kicks the last ball, the clock is stopped at a maximum of two minutes.

3) Scoring

Each successful goal scores 10 points.

iii. Individual Skills Competition—Event Number 3: Run and Kick

1) Equipment

Four, size four or size five, balls. A central starting point should be marked. A 2-meter wide target gate (cones or flags) set up 2 meters ahead of each ball.

2) Description

Player begins at the starting marker. Athlete runs to any ball and kicks it through a target gate. Athlete is only allowed to kick the ball once. The player then runs and kicks another ball through a target gate. When the player kicks the last ball, the clock is stopped.

3) Scoring

The total time (in seconds) elapsed from when the player starts to when he/she kicks the last ball is recorded and converted into points using the conversion chart below. A bonus of five points is added for each ball kicked successfully through a target gate.

Scoring conversion chart:

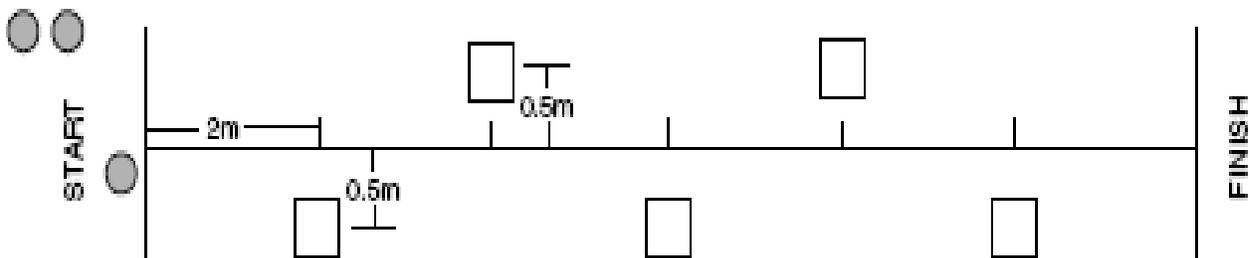

11–15 .....	50 points
16–20 .....	45 points
21–25 .....	40 points
26–30 .....	35 points
31–35 .....	30 points
36–40 .....	25 points
41–45 .....	20 points
46–50 .....	15 points
51–55 .....	10 points
55 or more .....	5 points

## SECTION D—FOOTBALL (SOCCER) TEAM SKILLS ASSESSMENT TEST

The following tests may be used to determine player and team ability levels for initial divisioning only. They are not to be confused with Individual Skills Competitions found in Section C.6.

### 1. Football (Soccer) Team Skills Assessment Test—Dribbling

#### SETUP

12-meter dribbling slalom: five cones (minimum 18 inches high), 2 meters apart, staggered 0.5 meters from central line. Three to five balls at the start line.

#### TEST

Time: One minute

Player dribbles through slalom as quickly as possible, rounding all cones.

Player leaves ball over the finish line (ball must be stopped) and sprints back to the start.

If there is time remaining, player starts with the second ball and repeats.

Player continues to repeat until one minute has elapsed.

A whistle will be blown when one minute has elapsed to signify the end of the test.

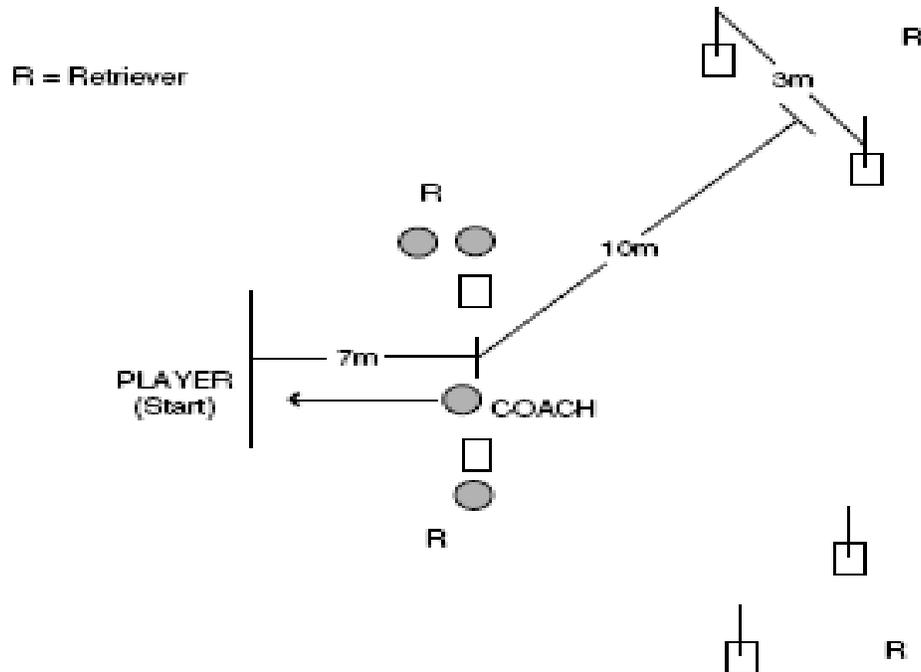

#### SCORING

Player scores five points for each cone passed (to the outside) (i.e., 25 points per successful run).

Cones that are knocked down do not count.

2. Football (Soccer) Team Skills Assessment Test—Control and Pass

SETUP

Two cones to form a “passing gate” 5 meters wide, 7 meters from the starting line.  
Two passing “target gates” (cones and 1-meter flags if possible) as shown.  
Four to eight soccer balls. (If balls are in short supply, use four balls but have an efficient retrieval system for returning balls to the coach).

TEST

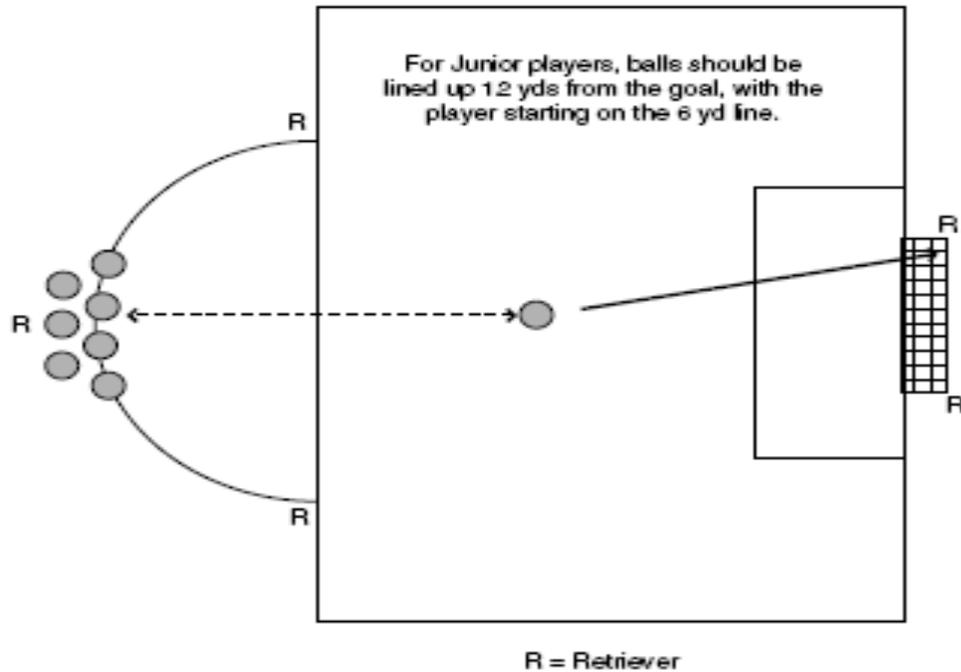

Time: One minute  
Coach rolls the ball at moderate pace to the waiting player.  
The player may wait on the line or move toward the ball once it has been rolled.  
Player controls the ball and dribbles through the passing gate.  
Coach alternately calls and physically indicates “left” or “right” to designate target.  
Ball one—right /Ball two—left /Ball three—right, etc.  
Players can dribble as close as they like before passing the ball through the target.  
The coach will roll the next ball as soon as the player returns to the starting line.  
After one minute, a whistle will be blown to signify the end of the test.

SCORING

Player scores 10 points for each successful pass through a target gate.  
A ball that hits the cone and goes through will count.

3. Football (Soccer) Team Skills Assessment Test—Shooting

SETUP

Penalty area and full-size goal with nets, on a regulation field.  
Four to eight balls at the top of the penalty arc. (If balls are in short supply, the test can be run with four to five balls with a good retrieval and return system).

TEST

Player starts at the penalty spot. Runs to the first ball. Collects the ball. Dribbles into the penalty area and shoots. Attempting to shoot the ball in the air into the goal.  
Players can shoot from whatever distance they choose once they are inside the penalty area.  
As soon as the player has shot, he/she returns and repeats with another ball.  
A whistle will be blown after one minute to signify the end of the test.

SCORING

Player scores ten points for each shot traveling from foot to goal in the air; Five points for each shot that touches the ground before entering the goal.
