EVENT SIGN UP

- *Athletes can choose between events 1,2,and 3. They may also sign up for one putting game or the distance driving competition. Please ✓ the events you wish to participate in.*

1) **Fox Run 18:** Athletes will play the full 18 holes in groups of 4. One of our volunteers will accompany each group to model play, teach the game, and help with score keeping. Roughly a mile and a half walk through fields, hills, and woods.

2) **Fox Run 9:** Athletes will play holes 9 holes. 1-5, then 15-18 back to the clubhouse. Hills, woods and fields - accompanied by a volunteer. About a 3/4 mile walk.

3) **Coyote Field 6:** 6 very short holes. Fewer hills - mostly field. We hope that beginners will enjoy this.

4) **Putting for the Gold!** We have a variety of putting games in mind designed for anybody. They will be held in areas adjacent to the clubhouse. Distances and rules will be determined on-site by our observant and well trained staff. To a true Frisbetarian there are few sounds sweeter than the "Ching!" of a made putt. We hope to share and celebrate this glorious experience with all!

5) **Distance Driving:** Athletes will compete to see who can throw a disc the furthest
